

Celebration of Life for Angel Tam

Saturday, March 4, 2017

6:00 - 10:00 pm

Changs International Folk Dancers and the Moveable Feet Club invite you as our guests to the Celebration of Life for our very dear friend, Angel Tam.

**First Baptist Church
305 N. California Ave.
Palo Alto, CA**

We will be putting together a program made up of Angel's favorite dances. Attendees will be invited to share a particular memory of dancing with Angel. What we would like is for you each to try to pick a memory that you associate with Angel and a particular dance, have you tell us what the dance is so we will be sure to include it in the program, and then have you share it during one of the short breaks we will take throughout the evening. Dancers are invited to bring pictures of Angel and to wear something that reminds you of her. We will end the evening with a group hug.

We welcome dancers from all clubs to participate. Snack contributions greatly appreciated. A scholarship fund in Angel's name has been established at Changs International Folk Dancers [a registered non-profit entity], if you wish to donate to it.
